FROM

F.F.C. Edmonds Esq., M.A., B.Sc.,

Inspector of Schools, Coorg & Bangalore.

To

The Secretary to the Hon'ble the Resident

in Mysore, Bangalore.

SIR,

I have the honour to enclose herewith the budget estimate of the Educational Department for the year 1932-33 together with the statements showing the details of salary of the Officers and the establishment and the statements of fresh charges. Reductions have been made under the several heads of the budget as proposed in my No. 1784/21-24, dated 29.6.1931. Under the Five Year Programme of Educational expansion, Provision has been made on the assumption that the Government of India will sanction the continuance of the scheme.

2. (1) A. University-A.1. Government Professional Colleges.

This new head has been introduced as ordered in Government of India No. F-VII-14-44-Ex.II/29, dated 17th March 1931, communicated in your No. 2507/234-1928, dated 4.4.1931. The provision made under it is intended for the stipend of a graduate teacher for undergoing training in the Teachers College, Saidapet and for a Lady teacher in the Lady Wellington Training College at Madras.

(2) B. Secondary-Grants-in-Aid to non-Government Secondary schools: I have provided for an increase of Rs. 2500, under this head. The Correspondent, Srimathi Kamala Bai Girls' High School

21-24
pickup in
another
connection

has sent me the budget estimate for this school for 1932-33 in which he anticipates an expenditure of Rs. 8000/- and an income of Rs. 2850/-, resulting in a net ~~cost~~ expenditure of Rs. 5150/-. I request that, anticipating approval an additional sum of Rs. 2500/- may be provided in the budget over and above the usual allotment to meet this expenditure. I invite your attention to my letter No. 3083/3-24, dated 28.8.1931 proposing that the Clarence school, Richards Town, be conducted in future as a "net cost" school. If the Hon'ble the Resident approves of the proposal, I request that an additional sum of Rs. 3000/- may be provided under this head.

(2) B. Secondary-Building and Furniture grants. The provision of Rs. 36400/- made under this head consists of the following:-

	Rs.
1. Annual grant.	9,000/- ✓
2. Building Grant to Goodwill Girls' High school. ---	22,900/-
3. Building, Furniture and Equipment grants to Srimathi Kamala Bai Girls' High School. -----	4,500/-

The grant to the Srimathi Kamala Bai Girls' High School is applied for by the Correspondent to meet certain charges mainly consequent on (i) the opening of the V Form, (ii) the furnishing of a Science Laboratory (iii) the building of a compound wall. This item may kindly be included pending approval of the formal --- application which will be submitted in due course.

With regard to the grant to Goodwill Girls' High School I invite your attention to your No. 9371/140-15, dated 8.12.1930 permitting me to put forward the proposal this year. Since I have already stressed the urgent necessity for this grant, I need not repeat the reasons here. I shall be obliged if you will kindly urge on the Government the necessity for making provision for this purpose next year.

(4) D. Grants-in-Aid to non-Government Primary schools. The grant of Rs. 5000/- under the Five Year Programme has been omitted, there being no further need for it. The ordinary annual grant has been reduced to Rs. 4000/- and this amount will be necessary as several schools stand in need of equipment &c.

(5) The Correspondent, Sacred Heart Boys' and Girls' schools Shoolay, has applied for a grant of Rs. 20,000/- towards the

construction of a building for both the Boys' and Girls' schools. I find that the question came up so far back as 1924 and the Hon'ble the Resident sanctioned a half grant of Rs. 4695/- in his No. 9446, 130-87, dated 26.11.1924, but this was subsequently cancelled in No. 1550/130-87 dated 20.2.1925 on the Bishop of Mysore representing that it was not possible to start the work then. The question was not taken up again owing, as I understand, to the inability of the mission to pay the other half of the cost. I have inspected the two buildings and find that there is a real need of a new building for these schools. The boys' school is held in a room of the manager's quarters, ^{for} ~~as~~ too small for the purpose, and the Girls' school in a small out house in the church compound, originally not intended to serve as a school building. In both cases the accommodation is insufficient and the sanitary conditions unsatisfactory. The Correspondent applied for a full grant, but has subsequently consented to meet a third of the cost from the Church funds, so that the grant asked for will amount to Rs. 13330/-. In the circumstances mentioned above, I request that provision for the grant may kindly be made out of the accumulated surpluses. The application will be submitted for sanction when the funds are provided.

(6) D. Primary- Grants-in-Aid to local bodies under the Five Year Programme. A separate statement has been enclosed showing the needs under this head. This is supported by detailed statements showing the expenditure on individual items.

(7) F. Grants-in-Aid to Special Schools. The reduction of Rs. 4200/- under standing charges is due to the withdrawal of grant to St. Euphrasia's Training school. Under Fluctuating charges, the grant to C.E.Z.M. Training School has been omitted, as the school will be closed after the discharge of the present batch of students in March 1932. The school will be revived at a future date if necessity is felt for doing so.

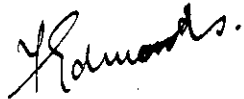

(8) G. General. G.1(2) Pay of Establishment. The decrease is due to the fact that the present Sub Assistant Inspector of Schools is on a lower pay than his predecessor. He draws Rs. 150/- per mensem at present, and in the usual course should draw Rs. 160/-

per mensem during the next year. But I understand that the Deputy Inspector's Cadre in Madras is on a time-scale of Rs.100-5-150-10-250, (selection grade above Rs. 150/-) and that only 25% of the incumbents are drafted to the selection grade after they reach Rs. 150/-. The Sub Assistant Inspector of Schools has been drawing Rs. 150/- for the last 3 or 4 years, but I have no information as to whether he has been promoted to the selection grade on his transfer to Bangalore.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector of Schools,

Coorg & Bangalore.

To maintain the 6 old girls schools for the year 1932-33.
